Invitation From Souvenir Committee

**ATTENTION: PARENTS AND DANCE TEACHERS
PICTURE ALBUM OF NRI (CHILD & YOUTH) DANCERS**

We are planning to include an album of NRI Telugu child and youth dancers (with at least one parent of Telugu origin) living in USA, limited to those that completed their *Arangetram/Rangapravesam* in this country in the upcoming *Conference Souvenir*..

In this connection, we are requesting you to send us information, as detailed below, on your student(s)/child(ren).

We are going to publish the dancers' data free of charge. However, if parents would like to see their child's pictures as well, there will be a charge of \$50 (fifty dollars), required to defray the cost of publication. We believe, this is a great opportunity for NRI families to showcase their daughter's/son's accomplishment for the whole Telugu community and is well worth the cost. Along with the payment, you need to send us the picture, either a dance posture or otherwise. Depending on the number of pictures received, we will choose the print size, but we will guarantee it will not be smaller than 2"X2".

We are excited about bringing out such an album as part of the ATA souvenir for the first time, and we hope you will be equally excited to see your children's' achievement become part of the community's cultural treasure.
