As per ATA constitution and Bylaws **the first regular meeting of the new Board of Trustees** was held on January 24, 2009 by President Jithender Reddy to elect President-Elect, Secretary, Joint Secretary, Treasurer, and Joint Treasurer along with the appointment of regional and other coordinators and standing committee chairs as well as appointment of Convener and Coordinator for the 11th ATA conference in Houston (**Shown below**). Subsequently, ATA President Jithender Reddy called a “special board meeting” on May 2, 2009” to discuss and resolve the “so-called issues” from the last board meeting held on January 24, 2009. Some of the actions taken at this meeting were not according to ATA constitution and Bylaws including motion to reverse the outcome of some executive committee election results along with appointment of coordinators and ATA 2010 Conference leadership. As a result of these actions, some of the ATA trustees, coordinators and standing committee chairs and ATA members sought legal help to stop all the proceedings of May 2, 2009 board meeting including any new appointments. **The court issued a temporary restriction order which states that the executive committee and all other committees and appointments which were approved on January 24th, 2009 will continue to govern ATA activities until further order.** I will keep you posted of any further developments.

Respectfully Submitted by

Ravinder Reddy
